

Meeting of the Byron Public Library District
Finance Committee
Board Room
Byron Public Library District
100 S. Washington St. Byron, IL 61010
July 7, 2025

Committee Members Present: Elaine Breck, Jill Grennan, Sean Hosseini

Also Present: Jason Shirley

Mr. Hosseini called the meeting to order at 10:15 am.

The committee felt that Cathy and Jill understand fair pricing and will agree to their recommendations for the price list in the Creative Studio.

Regarding new items in the FY25-26 budget, the committee recommended the following:

- The committee approved the \$24,900 to have Library Market build the new website as opposed to \$15,000 where they would provide us with templates and we would build it.
- The committee approved \$5,000 for a new direct to film machine for the creative studio and supplies.

Mr. Shirley discussed the Tax Computation Report for 2024. It was noted that the county incorrectly applied an EAV to ComEd parcels. Initially the county was going to spread out the decrease in funding over the next few years to make-up for the overage. The situation has changed and the county adjusted the total for this year's tax distribution 25/26 from \$1,240,044 to \$1,217,428. The 25/26 budget will need to be adjusted and the request for 26/27 will as well.

The committee discussed the results of the FAIRCOM meeting and the possibility of the other Constellation power plants working with Meta and how that may impact the community.

Mr. Hosseini made a motion to adjourn the meeting and the motion was seconded by Mrs. Grennan. The meeting adjourned at 10:50 am.

Respectfully submitted,
Jason Shirley
